

TIP Trailer Services, Re-Marketing Manager, Trucks

On behalf of TIP Trailer Services, we offer the opportunity to take the lead in managing and developing the pre-owned segment for Trucks. Your goal will be to increase profits of the pre-owned activities through, as well as coordinating and controlling acquisitions and stock levels of pre-owned vehicles.

You will gain great influence in a large international corporation where technical development as well as growth is on the agenda. You will probably work from the HQ in Taastrup.

Your main responsibilities will be:

- Sales of pre-owned commercial vehicles
- Supporting existing clients and acquisition of new customers nationally and internationally
- Creating offers, sales contracts, invoices, orders for the workshop etc.
- Vehicle registration of rentals as well as purchased vehicles
- List over vehicles in our web based sales platform
- Support from the department manager with strategic and operational questions

We are looking for a candidate with:

- Completed a vocational education within the commercial or technical area
- At least 5 years of work experience within the commercial vehicle sector
- Knowledge of products from the European producer of commercial vehicles and usual structure
- Knowledge of KYC and compliance
- Practical mentality
- Knowledge of foreign languages (at least English)
- High level of service and affiliation to end customers
- Experience with handling it-supported sales processes

You are offered:

An interesting job with a high level of personal responsibility. You will step into a fair and supportive work environment with a flat hierarchy. You will furthermore meet new challenges every day and naturally a comprehensive training in TIP Trailer Service's processes and products.

Moreover, you will be offered an attractive package with a fixed salary and bonus along with a company car and pension as well as health care insurance.

Application:

Interviews will be conducted currently, therefore please send your application (in English or Danish) as soon as possible, and always feel welcome to contact Lasse Fredskov or Lars Nikolajsen, Autosearch, for further information.
